

The Prophesied REAL climate and earth changes

Summary: Yes, there is a true and prophesied climate change coming. Learn all about it here in our first video. But it's NOT the same thing that the far-left protesters are telling us. Their goal is far more than just climate control – but also global changes in our world governments and more. But what does GOD himself say? It's all here in this message.

*** *****

Welcome everyone, to Light on the Rock. This is Philip Shields with this video message about the prophesied real changes coming to this planet before Christ returns. Yes, we're excited to launch into the video formats but will keep some audio going as well for those of you who like making MP3's .

Anyway, what is prophesied in scripture will *include* major climate changes but lots of other life-threatening events are coming that are not just purely climate related – nor which could be directly linked to things humans are doing – besides sinning! Could something happen that could cause the earth possibly be tilted more or less on its axis? How could that be? Will meteorites and asteroids hit our planet? When will all this happen – because all this and more....IS coming.

We hear a lot about climate change, global warming and “existential threats” to humankind. On **Friday Sept 20, 2019 children and students** all around the world marched to address what far left climate-change believers have told them: *that this world and human life as we know it ends in 12 years*. Many of the kids believe this! It's scaring them. Some have taken vows to never have children! They said they were protesting lack of action from especially the western world leaders in the USA and Europe. Many of the adults among them were socialists and people espousing a lot more than just climate change.

Fair Reporting?

Media reporting certainly hasn't been balanced. Isn't that interesting? Only an estimated 60,000 showed up to protest in New York City on Sept 20 -- and it got lots of media attention. But **when 300,000 youths** marched earlier in the year in the RIGHT to LIFE March in support of unborn babies' right to not be killed and ripped apart***, you heard almost nothing about it.

There are many scientists, writers, climatologists and politicians on both sides of the climate-change argument. The far left side accuses anyone who challenges any of the so-called science behind climate change of having their head in the sand. The side that says it's mostly a cover for other political goals and seismic changes in our political systems gets little press except maybe from Fox News.

One scientist wrote a book called "*The Inconvenient Facts!*" and he said that since the Industrial Revolution, the earth has warmed *by only 1 degree Celsius!* That's it! The Industrial revolution was between 1760 and 1840. And he says there are cycles* of decades of warmer temperature and decades of colder temperatures. And surely you know the first UN Report on climate change, that got a lot of press, was shown to be totally bogus.

But yes, our nations should do more to keep the earth pristine. And yes, there are some real earth-shaking global impacts and climate changes that are coming. I'm covering today what the Bible actually says about global changes.

But it's also true that the world's WORST polluters usually get a pass. The emissions in the USA are going down. But China is a mess – smog everywhere in their big cities. You can hardly see the buildings in Beijing. Most of the Oceans' pollution comes from 10 rivers – 4 out of China, 4 out of other Asian countries and 2 from Africa. Just 10% of the world's rivers are responsible for 90% of the plastics going into the oceans. None of the worst and top 10 dirtiest rivers are in USA or Europe. But you'd never know that from the marchers.

The Yangtze River in China is the worst offender by far according to research published **in a journal on** Environmental Science & Technology.

“It carries up **to 1.5 million tonnes of plastic into the sea** every year. **In contrast, the Thames puts 18 tonnes of plastic into the ocean.**” (Written for British audience)

I'm saying the marchers and protesters say almost nothing about China and India. The world's 50 dirtiest cities are in 4 countries – India, China, Pakistan and Bangladesh, although I'm so embarrassed for my country by how dirty I find New York City to be, and now Los Angeles and San Francisco too.

DOES GOD SAY THERE WILL BE MAJOR EARTH CHANGES?

What does the BIBLE have to say about earth-shaking events and true existential threats? Does it tell us that many people are going to die in the years ahead – and why? Yes it does.

Will these be man-caused? You'll see that in one way – yes, it will be caused by man, by man's SINFULNESS and a just God who will start doing things to get our attention, to punish the wicked and to bring as many as possible to repentance and true change.

So in a way, yes – the coming global changes are caused by sinful mankind. But is it going to be caused because cows are emitting too much ozone, or caused by you driving a car or live in a way that is fueled by fossil fuels (oil, gas, coal)?

Yes, there was an ICE AGE when a third of the world's surface was under a mile of ice. And then the earth warmed, yep – global warming and thank God for it –when most of that ice melted, forming our deep ravines and valleys and raised the oceans a lot. And it's easily shown that in the last few thousand years, there have been warm centuries followed by quite cool multiple centuries. Even now, many say we are in the warmest five years on record. But warm temperatures cause more evaporation and more rain – not less!

But it *does* seem like we're getting more and more disastrous tornadoes, massive flooding, wildfires, hurricanes (also known as typhoons and cyclones) in ever shorter time periods than we've seen before, in our lifetimes. The "one in 500 year storm" seem to be coming every two or three years now. Or am I just imagining that? Wasn't it just last year that Houston was flooded – and now that whole part of TX is being flooded again?

Believe it or not, in the coming years before Christ's return, scripture has A LOT to say about worldwide climate disasters and other global changes.

But what about climate changes coming ahead? And WHO really controls climate changes – God, Satan, mankind, or it's just chance? We'll cover that today and I'm going to give you a LOT OF scriptures that tell us, from prophecy, of what IS going to happen:

Adam and Eve together were given dominion over the earth (Genesis 1:26-28). They were to be good stewards. I have a sermon "**Good Stewards over God's Creation**" -- from Oct 2010 on that stewardship and all the scriptures God gives us to guide us in protecting the land, the animals, and the resources:

Eventually all of mankind except for Noah – were so bad that God says every thought and intent of their hearts – was evil continually (**Genesis 6:5**). So God started over with Noah and his 3 sons and their wives, 8 people. There was a worldwide flood that destroyed all life that wasn't in the ark (**Genesis 7:4**). Genesis 7:11 says the “fountains of the great deep” and the “Floodgates of the sky were opened”. Something extraordinary was going on.

I'm looking forward to seeing a life-sized replica of Noah's ark, at the ARK Encounter in Williamstown, KY about 40 minutes south of Cincinnati. Looking forward to it.

Surely The Flood was a HUGE CLIMATE change event – brought on by GOD. Then God promised – sealed with the rainbow in the sky – that He would never again destroy all human life by a worldwide flood. **Genesis 8:21-22**

I personally believe some huge, huge events could have happened in the Flood beyond just raining for 40 days and nights – plate tectonics shifting continents rapidly, rather than just an inch or two very year as it happening now. Maybe the protective ozone layer was different. We're told the “fountains of the deep were broken” and the “windows of heaven were opened” (Gen. 7:11) – whatever all that was referring to. Some major things happened. That, we know.

How about Joshua's long day? Something was happening then with the sun and earth and how did all that affect things?

When God decides that it's time to intervene once again, it will be because if he doesn't, NO HUMAN LIFE would be left on the planet – and the Son of God says so in **Matthew 24:22** – “unless those days had been cut short, *no life would have been saved*; but for the sake of the elect those days will be cut short.” (NAS) Holman – “...no one would survive” (if those days not limited)

GOD WILL BRING ABOUT CATASTROPHIC CLIMATE CHANGES AND WORLD-IMPACTING CHANGES before Christ returns. But they won't be because there's too much gas from too many cows, or too many planes in the air, or too much Co2! It will be GOD getting mankind's attention.

But just a few years before Christ returns – Satan will attempt once more to dethrone God, as I've described in other sermons recently (**Rev 12:7-10**) and Satan is furious, as he will lose, and so he goes after God's children – the Great Tribulation, a time of Satan's wrath against true believers. **Rev. 12:12** says Satan is angry, and has come to the earth with great wrath, knowing his remaining time is short. **Rev. 12:13** – he especially goes after the true people of God. God restrains him – but Satan then goes after a remnant "*who keep the commandments of God and hold to the testimony of Jesus*" *Revelation 12:17*.

THAT period of time of Satan's wrath is also called the 5th Seal or the Great Tribulation. There is a period of Satan's wrath against true believers, that's followed *by God's wrath* against unrepentant sinners around the world, especially those who are destroying the earth (**Revelation 11:18**) and who martyred his children – the true believers.

But even before the great time of persecution against God's elect happens, the first 4 seals before that speak of great events that impact the world. They're also outlined by Yeshua (Jesus)

Matthew 24:3-9 (summarize)

3 Now as He sat on the Mount of Olives, the disciples came to Him privately, saying, "Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?"

4 And Jesus answered and said to them: "Take heed that no one deceives you. 5 For many will come in My name, saying, 'I am the Christ,' and will deceive many. 6 And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. 7 For nation will rise against nation, and kingdom against kingdom. And there **will be famines, pestilences, and earthquakes in various places.** 8 All these are ***the beginning of sorrows.***

9 "Then they will deliver you up to tribulation and kill you, and you will be hated by all nations for My name's sake.

So droughts, famines and disease epidemics will be going on. Some disease epidemics we will bring on ourselves – like the homeless tragedy going on in California cities, with rats everywhere, feces and needles in the streets. All that is going straight to the ocean without any sewage treatment. *We're on the verge of a major epidemic like bubonic plague and more,* soon, if this isn't all cleaned up.

SCRIPTURES ABOUT IMPACTS ON THE EARTH

The Bible seems to depict what seem to be the earth being HIT by large meteorites or even small asteroids. A large asteroid hitting the earth could end all life. We see *meteor* showers where the object burns up in the atmosphere, but wherever a meteorite hits the earth, it can cause huge craters – like the one in Arizona we're told hit about 50,000 years ago. Its 1 mile wide, 500 feet deep. Some say it was an asteroid that hit there. The biggest crater is in South Africa – and was originally 300 km (190 miles) across! ***Vredefort crater.***

Prior to Christ's return are 7 seals. The first 4 are the false prophets, the wars, famines and disease. The 5th seal is the Great Tribulation of Satan's wrath on God's children. Then 6th seal onwards is God's wrath on the sinful world. The 7th Seal is composed of 7 trumpet plagues, followed by 7 more final "Bowl" plagues. The first 6 Trumpet plagues are terrible plagues. Let's look at some of these.

You need to know about the TRUE prophesied global changes coming.

Revelation 6:12-17

I looked when **He opened the sixth seal, and behold, there was a great earthquake;** and the sun became black as sackcloth of hair, and the moon became like blood. 13 And **the stars of heaven fell to the earth,** as a fig tree drops its late figs when it is shaken by a mighty wind.

14 Then the sky receded as a scroll when it is rolled up, and ***every mountain and island was moved out of its place.***

15 And the kings of the earth, the great men, the rich men, the commanders, the mighty men, every slave and every free man, hid themselves in the caves and in the rocks of the mountains, 16 and said to the mountains and rocks, "Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb! 17 For the great day of His wrath has come, and who is able to stand?"

This is about the impact of being hit by meteors and by huge earthquakes that can move mountains and cause TSUNAMIS that make islands disappear. Perhaps the darkening of the sun and moon is largely due to the smoke and pollutants in the air caused by massive fires, wars, and volcanoes – etc. That's all from God trying to get our attention!

Yeshua (Jesus) warns us in Luke 21 and Matthew 24 as well.

Luke 21:25-28

“And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, **with perplexity, the sea and the waves roaring [TSUNAMIS?] 26 men's hearts failing them from fear** and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken. 27 Then they will see the Son of Man coming in a cloud with power and great glory. 28 Now when these things begin to happen, look up and lift up your heads, because your redemption draws near.”

Is it possible that something massive like this happened at Noah’s Flood and tilted the earth on its axis? Well, unless it’s purely poetic license, we’re told the time is coming when God will once more *shake the earth* and it will reel to and fro like a drunkard. What does that mean? Doesn’t sound like fun, folks! You need to be on God’s side before all these things start to happen.

Revelation 8:6-13

“So the seven angels who had the seven trumpets prepared themselves to sound.

First Trumpet: Vegetation Struck

7 The first angel sounded: And **hail and fire followed**, mingled with blood, and they were thrown to the earth. And a third of the trees were burned up, and all green grass was burned up.

Second Trumpet: The Seas Struck

8 Then the second angel sounded: And **something like a great mountain burning with fire was thrown into the sea**, and a third of the sea became blood. 9 **And a third of the living creatures in the sea died**, and a third of the ships were destroyed.

Third Trumpet: The Waters Struck

10 Then the third angel sounded: And a great star fell from heaven, burning like a torch, and it fell on a third of the rivers and on the springs of water. 11 The name of the star is Wormwood. **A third of the [fresh] waters became wormwood**, and many men died from the water, because it was made bitter.

Fourth Trumpet: The Heavens Struck

12 Then the fourth angel sounded: And a third of the sun was struck, a third of the moon, and a third of the stars, so that a third of them were darkened. A third of the day did not shine, and likewise the night. 13 And I looked, and I heard an angel flying through the midst of heaven, saying with a loud voice, "Woe, woe, woe to the inhabitants of the earth,

because of the remaining blasts of the trumpet of the three angels who are about to sound!"

Is God, or am I, getting your attention yet? God promises to shake everything! As bad as all these sound, it actually also shows God's great self-restraint and not blasting ALL human life off the planet for our many sins.

GOD PROMISES TO SHAKE the heavens and earth!

Hebrews 12:25-27

"See that you do not refuse Him who speaks. For if they did not escape who refused Him who spoke on earth, much more shall we not escape if we turn away from Him who speaks from heaven, **26 whose voice then shook the earth; but now He has promised, saying, "Yet once more I shake not only the earth, but also heaven."** 27 Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain.

Get ready, be ready, for a whole lot of shaking going on! Lots and lots of earthquakes are on God's schedule. **The BEST way to be ready is to love God with all your heart and being after you repent of going in a way different than his way. I've had to do that, we all have to do that,** for we all have fallen short of God's glory. We have to let God's spirit mold us and change us, folks, so we are pleasing to him. See a sermon coming up "Pray you be counted worthy to escape all the things prophesied to happen."

Isaiah 24:18-20

And it shall be that he who flees from the noise of the fear
Shall fall into the pit, and he who comes up from the midst of the pit
Shall be caught in the snare; for the windows from on high are open,
And the foundations of the earth are shaken.

**19 The earth is violently broken; the earth is split open,
The earth is shaken exceedingly.**

20 The earth shall reel to and fro like a drunkard,

And shall totter like a hut; its transgression shall be heavy upon it,
And it will fall, and not rise again.

Isaiah 13:11-13

"I will punish the world for its evil,

And the wicked for their iniquity;

I will halt the arrogance of the proud,

And will lay low the haughtiness of the terrible.

12 I will make a mortal more rare than fine gold,
 A man more than the golden wedge of Ophir.
13 Therefore I will shake the heavens,
And the earth will move out of her place,
In the wrath of the YHVH of hosts
And in the day of His fierce anger.

Earth MOVED out of her place; What could that mean? Sounds very scary. Some people will be moved to repent and come to glorify Yeshua but other scriptures show many continue to curse God.

Haggai 2:6-7

"For thus says the YHVH of hosts: **'Once more (it is a little while) I will shake heaven and earth, the sea and dry land; 7 and I will shake all nations,** and they shall come to the Desire of All Nations, and I will fill this temple with glory,' says the YHVH of hosts.

Isaiah 2:17-19

"The loftiness of man shall be bowed down,
 And the haughtiness of men shall be brought low;
 YHVH alone will be exalted in that day,
 18 But the idols He shall utterly abolish.
 19 They shall go into the holes of the rocks, And into the caves of the earth, from the terror of YHVH and **the glory of His majesty,**
When He arises to shake the earth mightily."

6TH TRUMPET INCLUDES earthquake

Jerusalem gets hit and a tenth of the buildings are flattened and 7000 will die

Revelation 11:13

"In the same hour there was **a great earthquake, and a tenth of the city fell.** In the earthquake seven thousand people were killed, and the rest were afraid and gave glory to the God of heaven."

GREAT HEAT

Revelation 16:8-9

Then the fourth angel poured out his bowl on the sun, and power was given **to him to scorch men with fire. 9 And men were scorched with great heat, and they blasphemed the name of God who has power over these plagues;** and they did not repent and give Him glory.

GREATEST QUAKE EVER!

Revelation 16:17-21 –7th last plague

17 Then the seventh angel poured out his bowl into the air, and a loud voice came out of the temple of heaven, from the throne, saying, "It is done!"

18 And there were noises and thunderings and lightnings; and there was a ***great earthquake, such a mighty and great EARTHQUAKE as had not occurred since men were on the earth.***"

This sounds like a quake greater than 9 or 10 or even greater on Richter. The Alaska and San Francisco quakes that were so devastating were 7.1 on Richter. A quake in the 10 or 11 category would be beyond description in its impact and terror. We just read that there's a coming world-wide quake greater than anything the earth has ever experienced.

MOUNTAINS AND ISLANDS DISAPPEARING

19 Now the great city was divided into three parts, ***and the cities of the nations fell.*** And great Babylon was remembered before God, to give her the cup of the wine of the fierceness of His wrath.

20 Then every island fled away, and the mountains were not found. 21 And great hail from heaven fell upon men, each hailstone about the weight of a talent (100 lbs). Men blasphemed God because of the plague of the hail, since that plague was exceedingly great.

Mountains disappearing? The Andes, Rockies, Mt Everest all disappearing? What a great earthquake or other causes that must be!

So we see great heat, great fire, meteorites and small asteroids hitting the earth, the earth shaken a bit out of its axis or orbit –I think is a possible read there, what more do you need?

Plus drought, famines – **Revelation 6:6** speaks of paying a day's wages for a quart of wheat. **V 7-8** says another plague is to kill one fourth of mankind by sword (war), **famine**, disease and plague and by wild animals.

So yes there is a coming great, great climate change, global heat waves, drought, famines, *but also earthquakes, meteorites, small asteroid hits* – and not because you use straws or not – but because God Almighty is sending His Son back and wants everyone to know, something BIG, BIG, BIG is happening and everyone needs to repent!

So is there a coming global craziness of our weather, stability, safety, temperatures and more – absolutely. Brought on entirely by man? Absolutely not – *except from the point of view of man's sins are causing God to spank*

humanity, get our attention, and replace the world leadership from the coming Beast and False prophet – to rulership by the Son of God, Yeshua/Jesus of Nazareth and his Bride, select people who are being called out of the world's systems even now.

I can't wait. Father in heaven, send your Son soon, please. Come Yeshua, come. And please count many of your children worthy to escape the things you tell us are coming (Luke 21:36)

Luke 21:34-36

"But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly. 35 For it will come as a snare on all those who dwell on the face of the whole earth. 36 ***Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man.***"

That's a coming sermon. Closing prayer
