Summary: This teaching is not for the faint of heart. The very “end of the age” will be rough times especially for those not close to Messiah and who have not prepared. This teaching shows how and why we know we’re at the very end of the age in a way that no other time period could claim. What major events are coming up, according to Christ and prophecy? Has the Bridegroom been delayed? Is God bound to make all the prophecies come to pass? Feel free to share this teaching with others.

*Hi everyone. So many wonder if “we’re there yet” – at the very end of the Age? Is this “it”? How do we know if we are or not? **How is THIS time any different** from other times when people deeply believed they were at the very end time? How much longer will it be before Yeshua comes as lightning blazing across the sky? This is PART 2 of “Are we at the Very End of the Age?” What can we expect? How do we have any peace in such troubling times coming?*

*Just before we start on part 2 – **Remember Passover and the days of Unleavened Bread will soon be here in April 2022.** Don’t get distracted by any world news or anything, but let’s be ready, having examined yourself so we can take Passover in a worthy manner. Check other teachings I have on that. With **Passover, let’s celebrate our Savior**, and delight in being in close relationship with him. We’re so HAPPY he’s our Bridegroom-to-be and we want to be as close as we can, following and obeying his leadership.*

*On Passover, **God displays the value he placed on each of us: the life of his one and only Son.** So be sure to be watching for new sermons coming out, including important blogs (short articles). **Feel free to register** and then leave comments, suggestions, feedback as well. And let others know about this website. So back to the topic of end of the age now.*

This is part 2 of 2 teaching about “Are we at the End of the Age?”. *I want to cover how and why we think “we’re there” – within a decade likely. Yeshua says no one knows the day and hour of his return – except God the Father – but He didn’t say we could*

never know an approximate year or time (Matthew 25:13). And what's going to happen before he returns, according to his own words?

By "end of the age" I mean when our Lord Jesus Christ returns to take over the reins of government with his Bride.

Matthew 24:1-3

Then Jesus went out and departed from the temple, and His disciples came up to show Him the buildings of the temple. 2 And Jesus said to them, "Do you not see all these things? Assuredly, I say to you, not one stone shall be left here upon another, that shall not be thrown down."

3 Now as He sat on the Mount of Olives, the disciples came to Him privately, saying, "**Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?**"

KJV and some others say "end of the world" – but no, the planet will still be here. It means end of the age; the end of Man's age to rule and Satan will be deposed as god of this AGE (2 Cor. 4:4)

Greek word #165, "Aion" – "referring to an age or time; denotes a duration or continuance of time." (Complete Word Study of the New Testament)

I hope you watched part 1, so I won't go through the same material. Last time we covered these topics and more:

- **the first 4 seals of Rev. 6-** false prophets, war, famine and shortages/inflation, and then a fourth of world dies in Seal #4, when over a FOURTH of the world will die from "sword, hunger, and beasts of the earth" (Rev 6:8). We touched on all 7 seals, 7 trumpets, etc.
- I also gave examples **of how the whole world has dramatically changed just in the past 2 years** especially, and even up to 7 years.
- I explained last time also how it does seem, since it's going to be the worst time ever, that **God has promised protection** to many of his children who are zealous and seeking him. But many will be martyrs also, including the last 2 Witnesses!
- *Remarked on the war in Ukraine.*
- *And much more.... So please listen to/watch Part 1 first.*

SO going on... remember the disciples had remarked to Jesus how stunning the temple stones were, and Jesus said the time would come when not one stone will be left upon another; it will all be thrown down. Then the disciples came to him on the Mount of Olives.

MUCH of the space and time that prophecy takes up in the Bible is focused on OUR day and age, right now. I think it's possible, though I won't set a date like a prophet might, that Jesus *could* be standing on the Mount of Olives within ten years. I could be wrong. God's will be done. Remember even Apostle John 2,000 years ago wrote about how we're in "the last hour" (1 John 2:18). So whether it's going to be 8-10 years or 20-30 more years, we should live with a sense of urgency as never before, and with a sense that we are witnessing HISTORY in the making and even being a part of the making of that history! It should be very exciting to us all.

Luke 21:10-11

Then He said to them, "Nation will rise against nation, and kingdom against kingdom. 11 And there will **be great earthquakes** in various places, and **famines** and **pestilences** [pandemics]; and there will be fearful sights and great signs from heaven."

Covid19 was just a warm-up and alert to many more pandemics coming. Covid had only 1-2% lethality. Imagine if a lab virus is released or used in war that will have 50-70-80% lethality! In the next 2-5 years, we'll see many more pandemics, far worse than Covid19, and sometimes several at the same time.

(Remember these notes are not entirely word for word. Much more is said on the video. I recommend you watch or hear the video WITH printed notes).

WHY should we want to cover all this?

- Many people want to know if "we're there yet" – the return of Messiah
- God's true ministers are told to be watchmen and alerting the people when dangerous times are coming, or the blood is on their heads – Ezekiel 33:1-9. Please read it.
- **To remind us to have Christ's peace in scary times.** We should absolutely trust, trust, trust our God and our Savior no matter how bad it gets. Here's our "marching orders."

Luke 21:9

"But when you hear of wars and commotions, **do not be terrified**; for these things must come to pass first, but the end will not come immediately."

We know we're in great hands, and all things will work out for good – even if we are being persecuted, count it all JOY, Yeshua said (Matthew 5:11-12).

John 14:27

"PEACE I leave with you, MY peace I give to you; not as the world gives do I give to you. **LET NOT your heart be troubled, neither let it be afraid.**"

Isaiah 26:3-4

"You will keep him in perfect peace, Whose mind is stayed on You, Because he trusts in You.

4 TRUST in YHVH forever, For in Yah, YHVH, is everlasting strength."

What if someone we love dies "prematurely" in the years to come? Coping with death is never easy. But let's understand we are in God's precious hands, and he'll do what's best for us. With the worst times ever coming, is death such a bad thing? I often wonder if I'd really like to go through what this world is about to go through! Look what GOD says to us...

Isaiah 57:1 NLT

"Good people pass away; the godly often die before their time. But no one seems to care or wonder why. No one seems to understand **that God is protecting them from the evil to come.**"

Psalm 116:15

“Precious in the sight of the LORD is the death of his saints.”

We should have a sense of excitement even as our redemption draws nigh, to be a part of the most momentous times ever in all HISTORY! And many of us will be there. Look at verse 28.

Luke 21:25-28

"And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; 26 men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken. 27 Then they will see the Son of Man coming in a cloud with power and great glory.

28 Now when these things begin to happen, look up and lift up your heads, because your redemption draws near."

This CAN be exciting instead of terrifying. REMEMBER who you are: you are the beloved Bride of Jesus Christ and we're the child of God our Father.

But "BE NIMBLE" when it comes to prophecy. Be willing to move on your thinking. Sometimes we'll need to look at totally "out of the box" possibilities. I used to call it "riding loose in the saddle" Don't be glued to your understanding from 20-50 years ago or you'll likely MISS a lot. Many of our Bible margin notes are likely outdated and wrong. God has a way of giving us the overview but then His details surprise us. So don't lock in to one view. Not even mine. Be nimble and willing to adjust as we go along. True prophets are led by God's spirit (2 Pet. 1:21). I think when it's all said and done, many of us will be amazed at how different events actually unfolded.

2 Peter 1:20

"Knowing this first, that no prophecy of Scripture is of any private interpretation..."

PLUS, God CAN change his mind – like he did to the city-state of **Nineveh** after Jonah's preaching (Jonah 3:1-10). (Briefly discuss). The oft-quoted "IF my people" scripture – shows us God will change his mind if enough of God's people seek him and repent.

But the onus is on "If my people" – the people of GOD doing something! God shortens the time "for the elect's sake" remember, so let's be worthy of him doing that! (Matthew 24:22)

2 Chronicles 7:13-14

"When I shut up heaven and there is no rain, or command the locusts to devour the land, or send pestilence among My people,

14 if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

And surely – as **Ezekiel 9:1-6** says, God's people **feel** all disasters going on and we sigh and cry to God and speak out on issues as we have opportunity. It's certainly not a time to be asleep spiritually. Remember all ten virgins of Matthew 25 – slept when the Bridegroom was delayed. That's a warning to us.

What makes us so sure we are now at the very End of the age?

How close are we to the end of the age? Frankly, no one knows for sure. There are lots of timetables out there. The only timetable that is for sure – is GOD's timetable. *He's given us an OVERVIEW – but not specific enough details to plug in a specific date, like so many want to do.*

My view of it is that at the soonest – he won't come before 2030, as there are still so many things that must happen, **and they must start happening quickly for even 2030 to be a possible year of His return.** Yeshua said we won't know the day or the hour, but we might be able to state the YEAR. I'm saying we're likely at 8-10 years, possibly even 15-20 years, but not at all likely before 8 years from now (2030). *I'm not setting a date. I'm just trying to wake us all up to the urgency of the times.* Christ could return any time from 2028-2035 – or if God chooses, beyond that.

Here are big reasons that help us know we're UNIQUELY at the end of the age.

1. **Just before Christ returns, Rev. 11:7-10 speaks of God's TWO Witnesses preaching in Jerusalem – AND are being watched by the whole world.**

This could never have been said before 2024 or so, ever in history. This makes OUR TIME very unique!

That's *about to be possible*, maybe in another year or two, we're close – *but there are still blank places in Africa and Asia and even parts of USA, where people don't have strong internet access.* This is SURELY one of the most unique proofs we're finally at the very end. Elon Musk is putting up thousands of satellites to bring worldwide internet access. *This has never ever happened before or been possible before.*

Revelation 11:7-10

“When they finish their testimony, *the beast that ascends out of the bottomless pit* will make war against them, overcome them, and kill them. 8 And their dead bodies will lie in the street of the great city which spiritually is called Sodom and Egypt, where also our Lord was crucified.

9 **Then those from *the peoples, tribes, tongues, and nations* will SEE their dead bodies three-and-a-half days,** and not allow their dead bodies to be put into graves. 10 And those who dwell on the earth will rejoice over them, make merry, and send gifts to one another, because these two prophets tormented those who dwell on the earth.”

Let me say again, until our time and our day, this simply could not have been possible – say in 1960, or 1300's or 70 AD. Just impossible. Now it is. To ME, this is huge proof we're right there at the very end of the age.

2. **“The Third Day” of Hosea 6:1-2 is almost here.** The year of Christ's crucifixion was 30 AD. The Bible speaks of *a day is as a thousand years with God* (1 Peter 3:8; Psalm 90:4). **In Biblical “2 days”** – or 2,000 years – from when Christ was crucified in 30 AD brings us to 2030. This next verse helps me feel we're right there, near the end of the “2nd day”.

Hosea 6:1-2

“Come, and let us return to YHVH; For He has torn, but He will heal us;
He has stricken, but He will bind us up.

2 **After two days He will revive us; On the third day He will raise us up,**
That we may live in His sight.”

I think “after two days” refers to the time between his crucifixion and mankind going on their own merry way -- to Messiah’s return. The “third day” then would start after Passover 2030. As I see it, 2 “days” or two thousand years from Christ’s crucifixion in 30 AD takes us to 2030. *Unless of course the starting point is not Christ’s crucifixion year.*

IMPORTANT: if I’m dead wrong, STILL be faithful and be living a holy life in Christ. There are many more signs given – knowledge increasing, etc.

3. **Israel became an independent sovereign nation again May 14, 1948. The prophecies for the end of age center around Jerusalem and Israel. No Israel – no “end of the age” yet.**

Jews were thrown out of their land *twice* and returned twice. First they were thrown out by Nebuchadnezzar king of Babylon in 586 BCE. *The second time they were evicted from the promised land was after 70 AD. But twice God allowed them to come back – 70 years* after the first temple was destroyed, and **in 1948** when the state of Israel was announced and accepted at the U.N.

Last time I covered how Yeshua/Jesus talked privately to his disciples about his 2nd coming and the end of the age. Some of what he said applied to the destruction of the 2nd temple they had but remember he was addressing also the signs of his return and end of the age. Now notice what He says about the fig tree and “this generation.”

Matthew 24:32-35

32 "Now learn this **parable from the FIG tree**: When its branch has already become tender and puts forth leaves, you know that summer is near. 33 **So you also, when you see all these things, know that it is near — at the doors!** 34 Assuredly, I say to you, **this generation will by no means pass away** till all these things take place. 35 Heaven and earth will pass away, but My words will by no means pass away.”

The Fig tree pictures Israel. See **Micah 4:4** – every man under this vine and fig tree. Jeremiah 11:16 too. *Israel was pictured by the Fig tree, the Vine, and the Olive tree (Romans 11).*

Maybe I’ll write a blog on that. The fig tree *seed* was planted in **1897** where the dream was vocalized in the Zionist movement in Switzerland. Then **in 1917 the seed “sprouted” with the Balfour Declaration**, when Britain said Israel will be a sovereign state sometime soon. But there were “no leaves yet” on the Israel “fig tree.” **Finally on May 14, 1948**, the fig tree’s leaves sprouted, and Israel was a free nation.

What is a “generation? Psalm 90 says 70-80 years.

Psalms 90:10

“The days of our lives are seventy years;

And if by reason of strength they are eighty years, Yet their boast is only labor and sorrow; For it is soon cut off, and we fly away.”

A generation of 80 years from 1948 takes us to 2028. I believe “THIS generation” stated by Jesus/Yeshua in 30 AD is dual:

- 1- the generation that saw the temple destroyed in 70 AD, 40 years after He spoke this.
- 2- the generation for the return of Christ, IF the count starts from Israel's start in 1948, with the 80 year “generation”, it could be 2028. For 2028-2030 to be his return date, a LOT has to start happening all around the world as there are so many things Yeshua himself said would happen before his return.

But could it be that those born in 1948 – would be “the generation” that shall not pass? Many people are living into their 90's and 100's now, so perhaps the “generation” could mean a longer time period than 80 years. But we must be CLOSE. If 2030 doesn't pan out, could it be possible that Christ could return sometime before 2048, at the 100-year mark since the founding of Israel as a country? I'd be 95 in 2048, so I doubt I'll still be alive by then.

4. If Christ did not intervene to stop world's actions, no flesh saved alive. THAT prophecy could not have applied until the last 5-6 decades.

Matthew 24:21-22

“For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. **22 And unless those days were shortened, no flesh would be saved;** but *for the elect's sake those days will be shortened.*”

“For the elect's sake”: God will step in sooner, cut the timing short, because of YOU and others who make up the “elect” are very, very special to God!

We're at the point where the whole earth's population could be erased by many different means: nuclear, biological, chemical warfare. This has been possible for about close to 70-75 years already and is just getting worse.

Are we already in the Great tribulation (the 5th Seal)? No. We're certainly not seeing “the worst times the world's ever seen.” It's certainly not YET as bad as the Spanish Inquisition or the Nazi concentration camps time.

Those days shall be shortened -- and yet **scripture also speaks of a time of possible DELAY of Christ's return – in the parable of the 10 virgins in Matthew 25:4-5.** So we must remain nimble and watch.

Matthew 25:1-5

“Then the kingdom of heaven shall be likened to ten virgins who took their lamps and went out to meet the bridegroom. 2 Now five of them were wise, and five were foolish. 3 Those who were foolish took their lamps and took no oil with them, 4 but the wise took oil in their vessels with their lamps.

5 But while the bridegroom was DELAYED, they ALL slumbered and slept.”

BIG POINT: But perhaps that delay has already happened, and yes – the people of God are largely lethargic and asleep! Be sure you watch my teaching soon on Laodiceanism. So the next step is for God to cut the time short. So we all need to be repenting, seeking God, asking God to wake us up, spending more time in God's word.

So **HOW close are we to the end of the age? For a 2030 return, a lot of big things have to start happening** – like the seals of Rev 6-7-8; LIKE starting to build a new temple; like the formation of the Beast power and false prophet, like two billion losing their lives (seal #4), like more and more persecution leading to the GREAT Tribulation... If these things don't start happening in the next few years, it may not be 2030.

And we believers have to WAKE UP stronger than ever before. *Frankly, many believers thought Jesus would have returned DECADES ago* by now. But he didn't. So many believers quit believing and returned to their old ways, quit praying, quit being zealous.

But **Peter** said the exact opposite should have been our response, **2 Peter 3:10-11** – that since we see how everything will be burned and dissolved, *“what manner of people we should be, in holiness and godly conduct, hastening the day of the Lord...”*

The BRIDE of Christ must get ready and BE ready! (Matthew 24:44). He's coming at a time we don't expect, Christ said (Matthew 24:44). So spend as much time in God's word and in prayer!

NOW – SOME MORE VERY END OF The AGE EVENTS COMING

Last time I already covered the first 4 seals of Revelation 6. There's no doubt in my mind that the first 3 seals are already opened, and we're about to open seal #4, with massive numbers of deaths. As the seals are opened, they remain open and then move on to the next one SO when we experience seal #4, the first 3 seals will continue – false prophets, war everywhere, and then food shortages and famines, causing extreme inflation on food. One Denarius was a day's wage.

Revelation 6:5-6 Third seal famine and inflation

“When He opened the third seal, I heard the third living creature say, “Come and see.” So I looked, and behold, **a black horse**, and he who sat on it had a pair of scales in his hand.

6 And I heard a voice in the midst of the four living creatures saying, **“A quart of wheat for a denarius [a day's wages], and three quarts of barley for a denarius; and do not harm the oil and the wine.”**

WHY do I mention famine? The famines of the 3rd seal of Rev. 6 could start as early as late 2022 or 2023. FAMINE. Even President Biden has announced expected “food shortages” later this year. Stock up food and essentials now. Have a good home garden. Be prepared for rationing and high inflation. Pay off debts. Have supplies of water and gas/petrol that you cycle through. Secure your home while you can even as you trust in God. I expect food riots within the next 2 years.

WHY will there be famine throughout the whole world?

- **Wars are preventing planting and harvesting – like Ukraine, called “Europe’s Bread basket.”** Food shortage and inflation is inevitable.
- **Pandemics and boneheaded decisions are fouling up our delivery systems of food. China has just locked down their largest city – Shanghai** – and people can’t leave their apartments and homes and running out of food, water, medicines, and more.
- **Price of FERTILIZER – mostly from Russia, Ukraine, and China – is sky rocketing.** Fertilizer costs have risen 8-10x from just a year ago. This will add a lot to the cost of food. Plus add the cost of transporting everything and we see why food costs will skyrocket.
- **China** has already bought \$2 BILLION worth of American Farmland!
- **Expect RATIONING and ID cards** when buying food. **Expect food riots.**

I know this can sound depressing, but my joy is in my Savior!

Seal #4 will be a cascading series of wars, + pandemics and earthquakes that will cause death into the billions according to the Bible. The world’s population is currently almost 8 billion. But in spite of all this, our joy and our faith must be in Yeshua and our Father.

Revelation 6:7-8

“When He opened the fourth seal, I heard the voice of the fourth living creature saying, "Come and see." 8 So I looked, and behold, a **pale horse**. And the name of him who sat on it was Death, and Hades followed with him.

And power was given to them over a fourth of the earth, to kill with sword, with HUNGER, with death, and by the beasts of the earth.”

Rely and trust in our Father, even while you prepare as much as you can. Joseph was told of a coming worldwide famine and what did he do? He stored up wheat and fed the whole world. That’s our example. Store up food and essentials.

So what still has to happen before Christ can return?

I covered some things last time, but here are some more things that have to happen before Messiah returns – besides more war, more famine, more earthquakes, more and worse pandemics.

- **Have you felt a filthiness, a bad aberrant attitude taking over the world especially the last 2-3 years?** It’s Satan’s spirit that has been allowed to be unleashed more than ever. This evil demonic attitude or spirit we are watching will continue to flow through the world. *Don’t mess with demonism, witchcraft, or sorcery.* NONE of God’s children should have a Ouija board or be watching Harry Potter or playing Dungeons and Dragons. We want NO part of that.
- **Satan HATES The FAMILY, hates definite male/female.** So when the Supreme Court redefined Marriage in 2015 to be between ANY 2 people, the

repercussions are everywhere. It emboldened the LGBTQ folks. Now one's gender is no longer clear! Confusion results.

Now there's confusion as to what a MALE is, what a WOMAN is, utter nonsense. YOU'RE the one confused, they say, if you say a boy has a penis and a girl has female genitalia and ovaries. This confusion is causing tremendous rise in SUICIDES and depression especially among teen girls. You may find the book "**Irreversible Damage**" by **Abigail Shrier** very interesting

This confusion is straight from the Enemy and is destroying our American family. States are now mandating that very young children be taught about their genitalia, sexuality and if they are the "right gender".

That's LED to teachers in K-3 feeling free to talk about gender and sexuality with your kindergarten kids and arousing confusion in them with something they're not ready to talk about yet. This in turn will set up children to be against their parents.

Mark 13:12

"Now brother will betray brother to death, and a father his child; and children will rise up against parents and cause them to be put to death."

This is possible when the culture indoctrinates children against parents. The stage is being set throughout western nations especially.

- **The BRIDE of Christ MUST be READY to marry the Son of God. She must be dressed in fine bright linen righteousness** and prepared to meet and to BE the Bride of Yeshua (**Rev 19:7-8**). I'm sure Yeshua won't come until his Bride is ready. I'll speak on this more.

REVELATION 19:8 KJV

*"And to her was granted that she should be arrayed in fine linen, clean and white: for the fine **linen is the righteousness of saints.**"*

Notice the bright linen, defined as righteousness, *is granted to the Bride, given to the Bride. Again, her garments, which pictured her righteousness, was granted to her.* Most translations insert the word "acts," saying the Bride's linen stands for *her* righteous acts. Did you know "acts" is not in the original Greek? The KJV got this one right. So did Noah Webster translation, the Darby translation, and F Coulter's Bible. The Bride's righteousness is granted to her by God (2 Cor. 5:21; Romans 5:15-19).

Watch my 2-part video teaching "**God's perfection for us**" for more on this. We make ourselves ready by accepting Yeshua's perfect righteous life by faith as our new life, and our covering and abide in him, love him, and obey him.

Let's be sure to dedicate ourselves to being awake and our lives full of God's Spirit, which he'll pour out on us when we ask him in faith.

But surely Christ isn't coming back until His Bride is ready. And scripture says that when Yeshua returns "the bride has made herself ready" (Revelation 19:6-7). Hallelujah! Be sure you are filling your lamp with oil (God's Holy Spirit) as Matthew 25 says and accepting Jesus as your new life and covering (Col. 3:3-4). ASK for more of God's spirit.

- **NEXT, I believe strongly the 3rd physical TEMPLE has to be built in Jerusalem.** Every prophecy about these end-time sacrifices and the man of sin IN The temple of God (2 Thess 2:3-12) all refer to a TEMPLE, not the Greek word for a tent or tabernacle.

I mention what has already been prepared – most of the “furniture” of the temple is ready. The Menorah, altar of incense, table of showbread, priestly garments and much more, are all ready. I took many pictures myself in 2009. Even priests with verified DNA to Aaron’s lineage –are all being trained and prepared. So if a temple has to be built, and animal sacrifices started, **this needs to start happening real soon if – IF Christ is to return by 2030. So it might not be 2030 but we are told to WATCH, TO BE ready.**

2 Thess 2:4 says the man of sin will set himself up “in the temple of God”. The word for “temple” is not the word used for tent or tabernacle and not even the temple complex. The word “tabernacle” IS used one time for this Temple – Rev. 13:6. But in 2 Thess 2, the word “temple” is “**naos**” – meaning the sacred inside areas of the temple. Remember Jesus called even “Herod’s temple” – “my father’s house.” And exactly where the temple will be built will require God changing people’s minds and hearts. So be watching all this. And whatever it ends up being – a tabernacle or, as I feel, a temple –this place will have to be in place fairly soon if 2030 can work out. Otherwise Christ’s return is not likely in 2030.

I hope to do a full teaching on the temple shortly – maybe by mid-summer. Please be sure to hear it.

Extra note: Let me just say: by me saying there will be a temple, I am NOT saying that I believe we believers need animal sacrifices to have our sins atoned. But JEWS don’t accept Christ and want animal sacrifices and a temple. **Prime Minister Bennett of Israel is an orthodox Jew who has already stated** he will do all in his power to build the 3rd temple in the next few years.

TO HAVE a 3rd temple will take God’s intervention. *WHERE and how it will be built—will require God’s revelation and intervention.*

- **Animal sacrifices – it seems there’s a 7-year period according to Daniel 9:27, and at 3.5 years, midway through the 7 years, the sacrifices stop, and the “man of sin” claims to be God as he stands in the temple. So it appears to me that the temple needs to be in place 7 years before Christ returns.** If Christ and Father disagree with me, I’m totally with whatever God decides and their view of things!

We do know they are carefully guarding and preparing **2 red heifers** so far, needed for cleansing rituals (Numbers 19:1-10). Temple Institute is open about that. **We also know many priests have been DNA-identified to be descendants of Aaron and are receiving training, right now.** We do know that the Temple Institute – right now – is preparing the blue prints for the temple. We also know they have MUCH of the tools, equipment, and temple “furniture” (altars, robes, menorah, etc.) already prepared. It seems to me that not every Jewish rabbi or scholar agrees with Temple Institute’s plans and work.

- **NEW WORLD ORDERS and power struggles will be seen.** With USA no longer taking the dominant role especially under Biden, other countries are eager to fill the vacuum. Watch China, Russia, Turkey, Europe, Iran. Watch for new leaders from coups, from elections and other means to replace leaders. Watch what Arabs and Muslims do, especially in regard to USA and Israel. We might see major nations' economies completely collapse soon, including the USA's. Watch Europe re-organize.

The much vaunted "New World Order" will suddenly be here.

In the face of confusion and crisis, the world will look for a strong leader to get everything back to some semblance of order. Just before Christ returns, I expect worldwide chaos and war – but for a brief respite when it seems everything is peaceful again. ("peace, peace, but there is no peace")

- **We'll see the continued demise of the USA.** I believe USA and Britain are part of Joseph, of the 12 tribes of Israel – Ephraim and Manasseh. Ephraim was the younger brother and was far more powerful than Manasseh ever became, so I believe the USA is modern-day Ephraim, and UK is modern day Manasseh. Ephraim would be a company of nations, and that is exactly what "the United STATES" means (Genesis 48:19-20). But watch the demise and decline of USA happen more and more.

I suggest you read Leviticus 26 – the blessings and cursings chapter.

- **The US DOLLAR will likely crash soon**, perhaps as early as this Fall, 2022 or in 2023. We'll see. If it does totally crash, the paper money will be almost worthless. Inflation will eat up what you have. Here are some reasons why it could crash soon:
 - Starting March 31, 2022, Russia is insisting all nations who buy their oil and gas, including much of Europe and even the USA, must now pay in Russian rubles, not US Dollar. The Russian ruble is, I'm told, backed by gold now. This one change alone will weaken the dollar substantially.

If nations don't need the US dollar to buy oil and gas from Russia, the main supplier now, they'll just start dumping the dollar and that could lead to its crash, especially if it's just seen as worthless paper at that time. US dollars have no gold backing, remember.

 - **Saudi Arabia** is angry at Biden for re-opening nuclear talks with Iran – which Saudi Arabia hates! So they invited China to come to Saudi Arabia and forge an economic cooperation – and invited China to quit paying for Saudi gas and oil with US Dollars but to start paying with China's YUAN currency.

So the cracks are showing up! When the US Dollar collapses, the value of your savings and investments and retirement funds will also likely crash too. We'll have, at its worst, worthless money. There are key figures who want the USD to collapse so the transformation to DIGITAL dollars can take place. I don't fully understand all that – but just be watching this. But don't trust in mammon/money. Trust in God. *I'll give a talk or blog soon on the many verses that show in the end time God sustains his children miraculously.*

Our military is being hamstrung by civilian woke forces; already the military is more concerned about woke ideas than being battle ready to protect America. It was reported the other night that the size of our active military is the smallest it has been since – are you ready? – since 1940. China has 2x as many warships as we have; many more soldiers, airmen and sailors.

- **NATURAL “acts of GOD” disasters will get worse and worse.** Hurricanes, earthquakes, tornadoes, floods, wildfires, drought will wreak havoc on the country and our food production and our power over the next few years.
- **The WEF – WORLD Economic Forum – led by Klaus Schwab and their “Elites,” including Justin Trudeau, Macron, Zelensky and many more.** Klaus Schwab wrote a book “Covid 19 and the Great Reset”, and you need to watch this video below about his book and what his assistant says. Those involved almost seem to want there to be chaos, because those who seek power, thrive on chaos. Are they even *causing* some of the chaos? They’re quite open about that. “Never let a crisis go to waste,” they say.

Disasters and chaos allows government to have the “excuse” to use emergency executive orders, martial law, and suspend freedoms we are used to having – as Trudeau did up in Canada.

Is Klaus Schwab one of the most dangerous men on earth?

- **World will seem so out of control, (possibly intentionally) in total chaos from pandemics, inflation, wars, crime and so on – then **the world will WANT, and SEEK, a strong man** to straighten everything out, Like Hitler did in the 1930’s.**
- **The prophesied “BEAST POWER” is not set up yet...** but getting there. The time for the fall of USA is imminent and more than a few are speaking about it. The world sees America is following, not LEADING anymore. World leaders see the USA in decline. And it is. This Beast Power, discussed in Daniel 2, is likely to be a revival of the Holy Roman Empire in Europe – with 5 western European nations allying with 5 Eastern European kings, described as mixing iron with clay in Daniel 2.
- **The BEAST and FALSE prophet have yet to show up.** By the “Beast,” here I refer to their leader – the military/political “strong man” – like Hitler erupted on the scene before. This person is described as coming up from the Bottomless Pit where so many super-bad demons are being held. See **Revelation 9:1-7. READ REV 11:7 AND 17:8 FOR PROOF** of this. *(There’s much more in the video here)*

Revelation 11:7

“When they [the 2 Witnesses] finish their testimony, **the beast that ascends out of the bottomless pit** will make war against them, overcome them, and kill them.”

Revelation 17:8

“The beast that you saw was, and is not, **and will ascend out of the bottomless pit and go to perdition.** And those who dwell on the earth will marvel, whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, and is not, and yet is.”

What does all that mean that he “ascends out of the bottomless pit”? Have you noticed that before? Does it mean a man who is heavily influenced by a top ranking super evil demon from the bottomless pit? See the story when Jesus cast out many demons who begged him not to send them to the abyss, the bottomless pit, where the really bad demons are (Luke 8:31).

Or could it mean a leader who is not 100% human as we think? **Be nimble.** Just keep your eyes and ears open to possibilities. Read and re-read Revelation 11-12-13-17 over and over til you know it well.

We have here “the Beast and the False Prophet.” By “False Prophet” I mean the religious leader that will unite various religions under him from all nations (2 Thess. 2:1-12; Rev. 13:11-17) . **Watch for reunification** of the Greek and Ukrainian and Russian orthodox churches under the Pope; maybe Anglicans and many more. ***But the Great False Prophet need not be a pope. Be nimble and willing to adjust your thinking.*** It may be someone else who could unite religions today- including Islam, Hindu, Buddhist, etc.

But then again, scripture does not give the end time world power much TIME in power; just “one hour” – probably meaning a very short time, but not a lot of years (Revelation 17:12). They are there only for a short time. **The “Beast”** is the military/political leader of the coming world super power. **The False Prophet** is the “anti-Christ” who allies with the military/political leader. You can read all about this in **Revelation 13.** *These two men surely are alive out there somewhere.*

The “Beast” also refers to the union of nations which bring this about at the very end time. **I believe this will be a rapidly uniting EUROPE at the very end, combining strong western countries with weaker eastern European countries (iron mixed with clay – Daniel 2:33-43)** uniting again as the final resurrection of the ancient **Holy Roman Empire.**

Extra note: Recent events have opened European leaders’ eyes to see they can’t count on USA due to Afghanistan, etc.; they shouldn’t base their energy needs on their enemy Russia; and they need to become militarily strong and better united. And that’s all happening.

THIS Beast/false prophet tag team are the epitome of evil. Satan empowers and probably possesses them (Rev. 13:1-3), but they won’t appear evil. Like Satan – who appears as an angel of light – they will also appear to be NICE people on outward appearances, but they have very evil true hearts.

Remember the Bible often refers to these Gentile world superpowers and empires as beasts as you can see in Daniel 7.

- **Jerusalem has to be retaken from the Jews and trodden down by Gentiles for 42 months (Revelation 11:1-2).** We do know that at some point

Jerusalem will **be surrounded by armies** (**Luke 21:20**). These armies could be an invasion force or could start off as a "Peacekeeping force" – maybe even UN Forces. Keep your eyes open and heart seeking God's light. "Ride loose in the saddle."

- **Revelation 11:1-13 –and just before Christ returns, TWO WITNESSES of God are preaching in Jerusalem in the final 3-1/2 years before Christ returns. Who are they? *It's too early yet for them to show up.* They seem to be typed by Moses and Elijah, according to their miracles.**

Are they 2 Jews – one representing the Law like Moses (maybe a judge?), and the other a prophet, representing Elijah and the prophets? *Whoever they are, they're probably not from your church group or mine. Elijah may not have been an Israelite, so maybe 1 Jew, 1 Gentile?* Will they come from your church body? (Probably not.) If Christ is coming within 8-20 years, **they surely are alive now; we just haven't seen them in action openly yet and won't until just before Christ's return.**

So far nobody knows for sure **who the 2 Witnesses of Rev 11 are** though I received a phone call recently from a man wanting to introduce me to them!

When we all discover who they are, I doubt all of God's children will be thrilled or accept who they are at first. That's my opinion. Every believer will be tested to submit their ideas to what's obviously right there in front of them when it all starts happening.

So a lot has yet to happen, right? And – IF Christ is to be here by 2030 – then a LOT has to start breaking loose, real soon, or it's not likely to be 2030. Be sure you read and hear that. The temple and animal sacrifices have to be started soon in Jerusalem (Daniel 9:27). Europe would have to strongly unite – and it is uniting to large degree because of the Ukraine war. Europe sees Russia is indeed their enemy and so Europe is coming together and expanding their military to counter that. And the 4th seal has to open with the horrific number of deaths and then increasing persecution against God's children. Then the great Tribulation (seal #5) and the terrifying heavenly signs (Seal #6). All of those 6 seals are found in Revelation 6. Be reading it. Then Revelation 7 is the 7th seal start and beyond.

But when the final end time events begin to happen, they'll come upon us suddenly, like a snare or trap locking in the trapped animal. WE must be ready now. We have to have OIL in our lamps NOW – be filled and led by God's Holy Spirit and zealous for God – NOW. We won't get much final warning before we flee from the dangers in Jerusalem. Lot had a few hours' notice. Noah had 1 week.

Remember **1 Thessalonians 5:1-5** clearly says that God's children should not be caught off guard. But years will be shortened, and Christ could come back "at a time you think not," as he said.

In the meantime, one MISSTEP in the Russia-Ukraine war could result in a Europe-wide war or even World War 3.

But – we believers – though we sigh and cry (Ezekiel 9:1-6) for the horrors going on and cry out to God to send Messiah back soon, we are also very, very excited and long for the 7th trump to sound and the angels to come pick each of us up to the waiting Bridegroom in the clouds above. So in spite of the scary events that will come upon the earth, we believers are excited that we're finally so close to Christ's return. We love our Father. We love our Messiah. We love one another. We even love our enemies. God's way is not just about "right doctrine"—but loving relationships.

God speed that day. Our fiancé could be, might be here, within 8-10 more years. If not, it won't be much longer than that and we will be busy doing God's work and bringing people to Christ – regardless of the timing. And remember, his coming for you could be in your next heart beat if we die before his return. So we must be ready. da

CLOSING PRAYER.... And prayer for peace of mind and return of Yeshua.
